

SENIOR LIFESTYLE & HEALTH SERVICES

Having served older adults since the 1940s, Diakon today operates eight continuum-of-care and senior housing communities in Pennsylvania and Maryland, with half of them offering a range of senior living accommodations, personal care and skilled nursing and rehabilitative care. Focused on providing state-of-the-art services, Diakon emphasizes wellness, exciting amenities, the use of new technologies, and a variety of stimulating creative arts and events to enhance older adults' independence and dignity.

THE MISSION OF DIAKON

In response to God's love in Jesus Christ, Diakon will demonstrate God's command to love the neighbor through acts of service.

We're *Many Hands*, guided by *One Heart*, reaching out to transform the lives of children, families, and older adults. Our Many Hands are our diverse programs and the dedicated staff members who provide our care and service. Our One Heart is a charitable mission to serve our neighbor, regardless of faith, with gracious hospitality and care.
