3) **Fingerprinting**

- Appointments are strongly encouraged, and pre-registration is required. Once registered, applicants can walk-in during a location's posted hours of operation, but scheduling an appointment may lead to lesser/no wait times. Scheduled appointments take precedence over walk-ins.
- Applicants should use <https://www.identogo.com/locations/pennsylvania> to find a location.
- During the registration process, you will be informed of what type of identification is required when you go the printing center. Typically, this is a driver's license or a passport.
- After the identity of the applicant has been established, all ten fingers are scanned electronically to complete the process. The entire fingerprint capture process should take no more that three to five minutes.

4) **Receipt of the Clearance**

- The applicant should receive the FBI Clearance within 4-6weeks. You can track that status of your clearance through the website on which you registered.
- The FBI Clearance will be sent to the applicant. The record will be printed on standard 8.5x11 paper with the Commonwealth Seal embedded on the paper.

5) **Provide the FBI Clearance to Diakon upon receipt.**
